Prices vary, depending on the programme provided and logistical arrangements. Whole day and different workshop lengths are available, including a bespoke teacher ambassadors programme.

I thought it was excellent. Informative and thought provoking, delivered very professionally.

Facilitators were warm, friendly and knowledgeable.

Addressed very real issues in a non-confrontational way, such that colleagues felt confident to contribute to discussion.
I can wholeheartedly say this has been the best course I have ever done in my 7 years in education.
