SHOW RACISM THE RED CARD

Southern Region Offer

All workshops are carefully designed to meet the unique needs of each year groups including language, tone and activities.

School Programme

Fans of the Future, 1-2 hours - Key Stage 2

A transformative anti-racism workshop designed as interactive sessions exploring the nuanced layers of discrimination, racism, and stereotypes. We examine terminology and strategies for becoming a powerful ally.

Hate Crime, 1-2 Hours - Key Stages 2, 3 and 4

A dynamic and interactive workshop, that introduces racism, crime and hate crime, in a gentle and age-appropriate manner, sparking meaningful conversations and promoting empathy among pupils. Through engaging activities, we empower children to become active agents of change in their school community. With a focus on promoting inclusivity and equipping students with the tools to recognize and challenge discrimination safely.

Gamechangers, 1-2 Hours, Key Stages 3 and 4

Elevate your students' understanding of social justice and equality with our comprehensive workshop. Dive into thought-provoking discussions on the definition of racism and its manifestations in modern society. Explore the nuances of prejudice in Britain today, including the complexities of microaggressions and banter, empowering students to navigate these dynamics with empathy and awareness. We explore systemic racism and unconscious bias, equipping students with critical tools to recognize and dismantle inequalities. Foster a culture of allyship, where students learn to advocate for marginalized communities and actively challenge discrimination.

Promoting Equality and Tackling Racism in Society – Key Stage 5, FE and HE

An advanced workshop delving into the complexities of racism and social justice. An understanding of racism, discrimination, and stereotyping. Explore the nature of systemic racism and unconscious bias, while also examining the intersections of identity through the lens of intersectionality. Examine concepts of privilege and power dynamics, gaining insight into how they shape our social landscape. Unpack the subtleties of microaggressions and everyday forms of racism, equipping you with the critical thinking skills to navigate these challenges with empathy. This workshop offers a transformative learning experience, empowering you to become informed advocates for equity and inclusivity in your academic and professional pursuits.

SHOW RACISM THE RED CARD

Teacher Training

Foster inclusive learning environments with our comprehensive teacher training workshop. Gain a deep understanding of unconscious bias and its impact on educational settings, empowering you to create equitable opportunities for all students. Explore the multifaceted concept of racism, examining its manifestations within your unique context and community. Delve into the subtleties of everyday racism, including microaggressions, and learn to recognize and address them effectively. Stay up-to-date with modern terminology, enhancing your ability to engage with students from diverse backgrounds. Develop inclusive leadership skills, equipping you to respond confidently to racist incidents and facilitate difficult conversations with empathy.

Workplace Training

A comprehensive workplace training program, designed to equip your team with the tools and knowledge to foster a diverse, inclusive, and equitable work environment. Dive into discussions on privilege, exploring how systems of advantage shape our workplace dynamics and perpetuate inequality. Unpack the concept of intersectionality, recognizing the interconnectedness of social identities and their impact on individual experiences. Explore the nature of stereotyping and its effects on workplace culture, while also examining the realities of racism in Britain today and its implications for organizational practices.

Learn how to cultivate allyship within your workplace, empowering employees to actively support and advocate for marginalized colleagues. Stay informed about relevant laws and legislation pertaining to discrimination and racism.

This training program offers a holistic approach to addressing workplace inequities, providing practical strategies for creating an inclusive and respectful organisational culture.
